Transportation Request SOA ATTENDEES

El Conquistador Resort, The Waldorf Astoria Collection operates transfer service to and from Luis Muñoz Marin International Airport using luxury motor coaches. Upon arrival at the airport, you should proceed to the baggage claim area, where you will see our uniformed bilingual staff holding El Conquistador signs. Our staff will direct you to the appropriate carousel to collect your luggage and advise how to engage a porter for luggage assistance. The greeters will provide directions on exiting the baggage claim and locating our motor coach station. At the station, names are listed and called in to the Front Desk. Then, luggage is tagged and you will be given a claim check. Transportation to the Resort will commence within 20 minutes from arrival at airport check-in. Enjoy a complimentary beverage (with or without a splash of rum) and watch a video presentation of El Conquistador during the transfer to the resort.
