## President's Message

### Jeffrey Guy, MD

Dear Colleagues,

The 38th Annual Meeting of the SOA will be held at Wild Dunes Resort in the scenic city of Isle of Palms, SC, July 21–24, 2021.

A beach resort unlike any other, Wild Dunes offers a variety of accommodations, each with unique views and easy access to Isle of Palms beach that will inspire a vacation all your own.

I'm pleased to have Dr. Michael O'Brien as our 2021 Program Chair. Dr. O'Brien is already putting together an amazing educational program that promises an atmosphere of wisdom and sharing between all attendees throughout the region. We received a record number of abstracts this year, so there should be some outstanding presentations.

I'm also honored to announce my colleague and friend Dr. Claude T. Moorman as our Distinguished Southern Orthopedist for the meeting. The Presidential Guest Speaker will be Coach Lou Holtz and his presentation should not be missed.

Mark your calendar now! This will prove to be an adventure and tremendous venue for sharing ideas with colleagues and an amazing experience for your families.

Sincerely,

*Jeffrey Guy*

Jeffrey A. Guy, MD  
President, Southern Orthopaedic Association

His initial academic appointment was at the University of Maryland where he started the Sports Medicine Program, and served as Head Team Physician for the Baltimore Ravens through their first Super Bowl. He was subsequently recruited back to Duke University where he served as the Vice Chairman, Chief of Sports Medicine, and Head Team Physician at Duke University through eight National Championships and five Bowl games! He ultimately formed the Urbaniak Sports Sciences Institute and served as the Executive Director for the remainder of his 20-year term in Durham. # Presidential Guest Speaker

## Coach Lou Holtz

The SOA is pleased to have the legendary Coach Lou Holtz as the 2021 Presidential Guest Speaker. Coach Lou Holtz has established himself as one of the most successful college football coaches of all time.

Born in 1937 in Follansbee, WV, he grew up just up the Ohio River in East Liverpool, OH. He earned a BS degree in history from Kent State in 1959 and a Masters' from Iowa in arts and education in 1961. He played linebacker at Kent for two seasons before an injury prematurely ended his career.

Holtz is the only coach in the history of college football to take six different teams to a bowl game, win five bowl games with different teams, and have four different college teams ranked in the final top 20. He compiled a 243-127-7 career record, ranking him third in victories among active coaches. In 2008, Holtz was inducted into the College Football Hall of Fame.

Holtz's head coaching career began in 1969 at William & Mary. In 1970, his second team advanced to the Tangerine Bowl in the school's single postseason appearance.

Before ascending to head coach, Holtz served as assistant coach at Iowa, William & Mary, Connecticut, SC and Ohio State. The Buckeyes won the national championship in 1968 in his only season on their staff.

Holtz spent the 1976 season with the NFL as head coach of the New York Jets, producing a 3-10 record.

Dr. Moorman is board-certified in orthopaedic surgery and orthopaedic sports medicine. His clinical practice centers on complex shoulder instability and multiple ligament knee injuries. He has served as Residency Program Director, Fellowship Program Director and on the Education Committee at three different institutions, has been responsible for the education of 168 residents and 75 fellows, and has received the Resident Teaching Award on two separate occasions.

Dr. Moorman's history with the Southern Orthopaedic Association goes back to residency when he was inspired by then-President Jack Henry and Bobby Murrah to join. He has served on the Council of Delegates, the Board of Directors, Course Co-Chair for the Hot Topics in Cold Weather Series, Program Chairman for the annual meeting, and the Editorial Board of JSOA. He held the offices of Secretary, Treasurer, and ultimately President in 2012. During his Presidency, SOA adopted the ABOS Self-Assessment Program and greatly expanded the Resident Award prizes to encourage young members of the Association.

Dr. Moorman also enjoys activities with his church and his family – his wife Lynne, son CT IV, and daughters Virginia and Marianne. He also enjoys outdoor activities including golf, hunting, fishing, and mountain climbing.

The hotel venue has gone through their own protocols to ensure their environment is one in which you will feel safe. In addition, the Society will be providing masks and arranging hotel meeting rooms in compliance with the latest facility requirements. Sanitizing products will be available in all meeting rooms and outside venues. Should you have a concern, please let us know and it will be addressed.

In registering for the meeting, attendees will be asked to sign a waiver releasing the SOA from liability of the potential of contracting of the COVID Virus at the meeting. While we would like to be able to assure attendees that there is no risk, even with our best efforts that is simply not the case. We appreciate your cooperation in this requirement.

Thank you for your service in providing patient care during these challenging times. We hope that you will be able to relax, take in all of the stimulating education sessions, and, once again, enjoy getting together, safely, with your colleagues at this year's Annual Meeting.
