

EXHIBITOR PROSPECTUS

**Southern
Orthopaedic
Association**

**SOUTHERN AT THE SEC
Sports Medicine Symposium**

March 12-14, 2026 | Nashville, TN

YOU'RE INVITED!

We invite you to participate in the upcoming Southern at the SEC Sports Medicine Symposium as an Exhibitor. The Program Committee is developing a superior scientific program of relevant sports medicine issues facing orthopaedists, while providing an opportunity for YOU to network and form relationships with the attendees. Your organization provides the products and services that our attendees depend on in their practices every day.

Benefits of Exhibiting

- Access to orthopaedic sports medicine surgeons from the Southern US from all practice settings
- Your company's listing in the mobile meeting guide, along with your company description and website
- Recognition on meeting signage and on the SOA website
- Participation in the exhibit hall prize drawing game to encourage attendees to stop by your exhibit
- A final attendee list after the meeting

Prize Drawing

Exhibitors will be included in a prize give-away game to increase traffic to your exhibit booth. Attendees will be given a card for exhibitors to punch next to their company name during exhibit hours. Participants will be entered into a prize drawing, which will take place in the exhibit hall. Participants must be present to win.

Target Audience

This program is intended for general orthopaedic surgeons. We anticipate over 100 attendees at the Sports Medicine Symposium.

SOA Sports Medicine Symposium Program

The 2026 Southern at the SEC Sports Medicine Symposium brings together renowned experts to provide clinical updates to the practicing sports medicine surgeon and academic clinician, including current concepts in sports medicine. The meeting will provide an update on treatment options and the latest surgical techniques for treating common sports medicine conditions.
