Medical Student Travel Grant for \$1,000, and 10+ Donor Awards will be presented.

Dear Colleague:

The Southern Orthopaedic Association will hold its Annual Meeting at the Wyndham Grand in Clearwater Beach, FL, July 21-24, 2027. Abstracts for this meeting are being accepted now and we invite you to submit one or more to the 44th Annual Meeting.

SOA's Annual Meeting is one of the premier meetings for orthopaedists practicing in the southern region. The Scientific Program will be developed to present timely reviews of practice-related techniques and clinical research findings in orthopaedic surgery through key abstracts that have been accepted. Nationally recognized speakers will be invited to present. Each year SOA presents over \$12,000 in prize money for the top Resident/Fellow abstracts.

There will be approximately 15 AMA PRA Category 1 CME credits available through invited guest speakers, symposia, and scientific podium presentations.

All presenters are required to register for the meeting. A registration fee does not apply to award winners (except Donor Award recipients). The member registration fee or resident/fellow registration fee applies to all other presenters.

As Program Chair and President, we would like to strongly encourage you to submit an abstract for the meeting. It is an excellent opportunity to present a paper to your peers. Please plan to submit one or more abstracts for SOA's 2027 Annual Meeting.

We look forward to receiving your abstract(s) and to seeing you in Clearwater Beach!

Sincerely,

Lee A. Leddy, MD
President

Erik Hansen, MD
