President's Message

Andrew A. Shinar, MD

Dear Colleagues,

I am excited to announce that the SOA's 39th Annual Meeting will be held at The Greenbrier in White Sulphur Springs, WV from July 20-23, 2022. The Meeting will be stimulating as always for all Members, in a stunning setting that the whole family will enjoy.

Deryk Jones, MD from the Ochsner Clinic will serve as Program Chair. He is working to ensure that you enjoy learning about orthopaedic advances which you can implement into your everyday practice. I am honored to present my colleague, Greg Mencio, MD as our 2022 Distinguished Southern Orthopaedist. Zach Shinar, MD, head of the Emergency Room at Scripps in San Diego will offer unique perspectives on running an ER as the pandemic started, and vital information for the spouses on household emergencies. My wife, Lisa is ar-

ranging a fun Spouse and Family Program to complement the academics.

Your family can relax outdoors in the mountain air by the pool, enjoy world-class golf and tennis, try pickleball, take Jeep or bike rides through the forest, or try their hand at fly-fishing, white-water rafting, sporting clay shooting and climbing the aerial tower. If your family prefers indoor activities, they can enjoy bowling, an escape room, an indoor pool, extensive spa services, shopping and the Bunker

Tour. The lavish Dorothy Draper design will make your every experience unforgettable. Finishing touches include complementary afternoon tea, and even a casino.

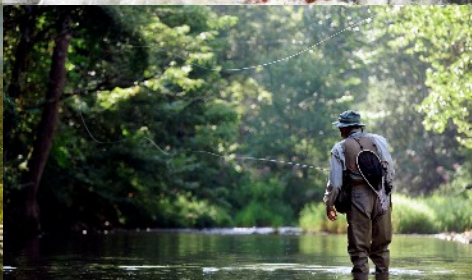

Mark your calendar for a great week at the Greenbrier with the whole family. We look forward to seeing you there!

Sincerely,

Andrew A. Shinar, MD

President, Southern Orthopaedic Association

Meet Our New Board Member

Michael P. Bolognesi, MD
Durham, NC

Michael P. Bolognesi ("Bolo"), MD is Professor of Surgery, Chief of the Adult Reconstruction Division, and Director of the Adult Reconstruction Fellowship in the Department of Orthopaedic Surgery at Duke University School of Medicine. He completed medical school and his residency at Duke, followed by a Fellowship in Adult Reconstruction at the University of Utah in Salt Lake City. After his training, Dr. Bolognesi joined the Duke academic faculty where his practice is focused on total hip and knee replacement, uni-compartmental arthroplasty, revision total hip and

knee replacement, patient outcome optimization, patient reported outcomes and value based care. He conducts a high volume of clinical research focused on studying the outcomes of these procedures as well as investigating the introduction of new technologies to advance this field of care. He has a specific ongoing effort using big data and AI to work out solutions for challenges in arthroplasty care. Dr. Bolognesi is extremely well-published in the hip and knee space. He has served as the President of the American Association of Hip and Knee Surgeons, and is a member of both the Knee Society and the Hip Society. He and his wife Kelly truly enjoy their three children John, Rina, and Julia.

Have you taken our Self-Assessment Exam?

It's free for members (a \$95 savings) and provides 10 CMEs toward your Maintenance of Certification.

Support the SOA Education Fund

Make your mark on the future by helping to support the SOA Education Fund (a 501[C]3 tax-exempt fund) with your charitable contribution. The SOA established this fund to provide educational opportunities for young orthopaedists throughout the territory.

The SOA provides more than \$12,000 in research grants for residents at its Annual Meeting, which contributions from Members have helped to make possible. These resident research grants will continue to be a focus for the SOA. We encourage you to make a donation to help the SOA achieve its goals for funding educational programs for residents. It is a worthy endeavor, and one that will endure for generations.

The process to donate is simple. Just go to <https://www.soaassn.org/donate> and you can make a donation instantly.

The SOA

The Southern Orthopaedic Association (SOA) was founded in 1983 for physicians who are engaged in the specialty of orthopaedic and trauma surgery. Its mission is to develop and foster the art and science of medicine in the specialty of orthopaedic and trauma surgery. SOA operates exclusively for charitable, scientific and educational purposes.

39th Annual Meeting

July 20-23, 2022

The Greenbrier

White Sulphur Springs, WV

See you at The Greenbrier this summer!

Mark your calendar for July 20-23, 2022

Recap of the 38th Annual Meeting

The 38th Annual Meeting was a tremendous success, with an outstanding Scientific Program put together by Program Chair, Dr. Michael J. O'Brien along with the SOA Program Committee.

Program highlights included Presidential Guest Speaker, Coach Lou Holtz inspiring presentation, "Making Good Choices." It was standing room only for his talk. Additionally, Distinguished Southern Orthopaedist and SOA Past-President Dr. Claude T. Moorman III gave a thought-provoking and humorous talk titled, "A Southern State of Mind" and Dr. Jeffrey A. Guy gave a memorable Presidential Address. Coach Steve Spurrier along with his wife Jerri gave a live interview during the meeting with ESPN Senior Writer and Injury Analyst, Stephania Bell. In addition to the exceptional Scientific Program, there were Round Table Discussions, a Resident Review Course, E-Poster presentations and multimedia sessions.

The Meeting kicked off with the always fun Welcome Dinner at the resort pool at sunset. Everyone had a great time visiting with old friends and new. The following evening began with the Exhibitor Reception, after which everyone had the opportunity to enjoy the beautiful Wild Dunes Resort. The Meeting was brought to a close with Grilling and Games, a fun-filled event for the entire family at the Pavilion on the beach. Spouse Hospitality had a breakfast every morning, including special events with a Park Ranger Historian where they learned all about the history of nearby Charleston, natural history discussion about avian predators and made hygiene kits to donate to women's shelters.

It was a fantastic Meeting, and we express our thanks to all who attended. If you missed it, view some photo highlights from Wild Dunes on the SOA website at www.soaassn.org.

We look forward to seeing you this summer at The Greenbrier in White Sulphur Springs, West Virginia, July 20-23, 2022!

2021 Poster Awards

Congratulations to the following 2021 SOA Poster Award Recipients. The Poster Awards were presented at the 38th Annual Meeting at the Wild Dunes Resort.

1st Place Poster Award

Nicole D. Quinlan, MD, MS

Patients with Osteopetrosis are at Increased Risk for Early Postoperative Complications following Primary Total Hip and Knee Arthroplasty

2nd Place Poster Award

Nicholas A. Andrews
