L. Andrew Koman, MD

BOC Representative

Fred C. Flandry, MD, FACS

SAE Chair

Scott D. Mair, MD

Executive Director

Chuck Freitag, CPA, MBA

We are very much looking forward to having everyone back to the Southern Orthopaedic Association's Sports Medicine Symposium this year. Our objective is to make the symposium an enjoyable time while maintaining a safe environment. To that end, we will be complying with all state requirements including appropriate social distancing and wearing of masks.

The hotel venue has gone through their own protocols to ensure their environment is one in which you will feel safe. In addition, the Society will be providing masks and arranging hotel meeting rooms in compliance with the latest facility requirements. Daily temperature readings will be taken when entering meeting rooms or social events. Sanitizing products will be available in all meeting rooms and outside venues. Should you have a concern, please let us know and it will be addressed.

In registering for the symposium, attendees will be asked to sign a waiver releasing the SOA from liability of the potential of contracting of the COVID Virus at the meeting. While we would like to be able to assure attendees that there is no risk, even with our best efforts that is simply not the case. We appreciate your cooperation in this requirement.

Thank you for your service in providing patient care during these challenging times. We hope that you will be able to relax, take in all of the stimulating education sessions, and, once again, enjoy getting together, safely, with your colleagues at this year's Sports Medicine symposium.

SOUTHERN AT THE SEC Sports Injury Update 2021
